12	**Reading** متن را بخوانید و به سوالات به صورت خواسته شده پاسخ دهید. A dictionary is a collection of words ranging from letters A-Z. When reading or writing a story, an essay, a paragraph or even a sentence, using a dictionary is a great help. There are many advantages of using a dictionary. So, using a dictionary is important for students. The first advantage of using a dictionary is pronunciation. We can also listen to the pronunciation of the words if we use an audio dictionary. The second advantage of using a dictionary is checking out a word's right spelling. The third advantage of using it is learning a word's part of speech. It is one of the types into which words are divided in grammar according to their use, such as noun, verb, or adjective. Lastly, example sentences are mostly available. Seeing specific words used in a sentence can provide more context and help you better understand proper usage. However, searching words by using a dictionary takes a lot of time. By using a talking dictionary, we are able to look the words up in a few minutes. As a result, a dictionary is a great help for everyone, especially students who are learning a language and who are interested in language learning. 40. How can a talking dictionary help us? 41. What is a dictionary? 42. Can you find the word's story in a dictionary? 43. What does the pronoun (it) in line 7 refer to? a. pronunciation b. spelling c. part of speech d. example sentence 44. Learning a word's part of speech helps us better understand proper usage of it. a. True b. False	4

15	متن را بخوانید و به سوالات به صورت خواسته شده پاسخ دهید Many countries now think that cars that burn fossil fuels should be replaced by electric cars. Electric cars don't burn gasoline in the engine, so they don't make the air dirty and unclean. They use electricity stored on the car in batteries. The electric car is usually plugged in at night. The car can be plugged into a special charging unit even at houses. Some electric cars can be plugged right into a regular electrical wall outlet. Others need a larger outlet, like the kind that a stove or a vacuum cleaner plugs into. The engineers are trying to make better batteries that hold more energy and last longer. To overcome the problem of charging electric cars, hybrid cars are also available. Hybrid cars combine the benefits of gasoline engines and electric motors. They can be designed to meet different goals, such as better fuel economy or more power. 53. When is usually the electric car plugged in? 54. Electric cars use both fossil fuel and electricity. a) True b) False 55. Not all electric cars have batteries. a) True b) False	2
