You can find words easily because dictionaries put them in alphabetical order. The word 'dictionary' comes from the Latin 'dictio' ('saying'). There are several kinds of dictionaries. Dictionaries that explain words and how they are used; dictionaries that translate words from one language to another; dictionaries of biography that tell about famous people; and technical dictionaries that explain the meanings of technical words. Dictionaries that explain what words mean give a clear 'definition' of **them**. A good dictionary also gives more information about words. For instance, it explains how they are pronounced. Usually the International Phonetic Alphabet (IPA) is used for this purpose. A complete dictionary also tells you about the origin of words and the story behind them. For example, the words like 'pajamas', 'bazaar' and 'paradise' entered English from Persian. **True / False** 38. Words are easily found in dictionaries because dictionaries put them in alphabetical order. a. True b. False 39. The word 'dictionary' comes from the Latin 'dictio'. a. True b. False	۳

	Choose the best answer. 40. What do dictionaries of biography explain? a. These dictionaries explain the meanings of technical words. b. Dictionaries of biography explain IPA. c. They tell about famous people. d. They translate words from one language to another. 41. What does "them" in the first line of paragraph 3 refer to? a. pronunciations b. words c. dictionaries d. spellings	

۱۴	متن زیر رابخوانید و به سوالات داده شده هر قسمت پاسخ دهید. Respect is not only for people, you also need to respect nature. You should learn to respect nature and also teach it to your next generation. There are some good ways to improve the sense of respect for nature among society. When you are outside with your children, take the time to show them the beauty of nature. Show them the blueness of the sky on a clear, bright day, or grey sky on a cloudy day. Ask your child to touch trees, rocks and leaves to feel the temperatures. You can also teach your kids the names of different plants, trees, and animals and practice identifying them. You can do these and show the beauty of nature in your yard or in your favorite park. You may buy a plant for each child that they can take care of inside or outside of the house. You should remind your children that all living creatures are parts of our world and are valuable in the natural environment. **True/False** 42. According to the passage, people should only respect other people. a. True b. False 43. Our next generations need to know about nature and its value. a. True b. False **Answer the following questions.** 44. Where can you show your children the beauty of nature? 45. What should you remind to kids?	۳
۱۵	متن زیر را بخوانید و به سئوالات داده شده هر قسمت پاسخ دهید. The most common type of clean energy is the solar power. Solar energy is produced by the radiation that reaches the earth. People have used the sun as a heat source for thousands of years. Iranians, for instance, use special designs and arrangements of windows, balconies and yards to get the most sunshine. Different kinds of materials might also be used in building the houses. This keeps people warm during cold seasons and cool during hot days of the year. Nowadays, solar energy can be converted into other forms of energy, such as heat and electricity. Solar energy might be used for heating water and air in homes, buildings, or swimming pools.	۴

Maybe you've seen buildings or houses with big shiny panels on the roof. These solar collectors collect heat by absorbing sunlight. Solar energy is used in generating electricity for watches, highway signs, houses and even space stations.
